

Bio Bleeder™

Bleeding in its Tracks

AECS's patented pending Bleeder formula is unquestionably the most scientifically advanced natural bleeding product for horses and camels on the market today.

Bio Bleeder the ALL Natural Alternative to Lasix.

Bio Bleeder is scientifically formulated, using nature's own healing delivery system. Bio Bleeder is effective against bleeders (EIPH), exercise induced pulmonary haemorrhage and other pulmonary side effects. Bio Bleeder is 100% safe for competition and does not swab.

Recommended dosage is 20ml intravenously or orally. It must be administered by a licensed veterinarian if used intravenously and the rules of racing must apply.

Benefits:

- Stops bleeding
- Effective against induced pulmonary haemorrhage and other pulmonary side effects
- Lowers high transmural pressure which leads to pulmonary capillary stress failure
- Healing of damaged lung walls
- Repair of stress induced damaged capillaries
- Increased diuretic activity
- 100% drug free and it contains no prohibited substances
- Increased overall performance
