

ENDURO 500

THE MUSCLES & FIGHT FATIGUE

In today's times, advancement in science is happening all the time, especially when you're dealing in medications and supplementation for the benefit of horses. Enduro-500 is the most advanced multi potent muscle enzyme product available.

This breakthrough technology provides a triple mode of action horses, as it fuels the muscles as well as supports the cardio-vascular system and also assists in the respiratory function. The all-natural formula allows trainers to use it in total confidence and safety as there are no banned substances.

If your horse ties up or just can't finish off its race, then you need to use Enduro-500 now and see for yourself.

Benefits:

- Increases endurance
- Prepares and fuels the muscles
- Assists the cardiovascular system and respiratory function
- Reduce inflammation
- Removes lactic acid build up in muscles
- 100% drug free
- Contains no prohibited substances
- Improves overall performance
